The image shows a graphical user interface for a program titled "READ-AHEAD PRINTING SETTING PROGRAM". The window has a title bar with a close button (X) and a minimize button (_). Below the title bar, there are three tabs: "APPLICATION", "FILE", and "INITIAL SETTING", with "INITIAL SETTING" being the active tab. The main content area contains three numbered instructions, each with a "Retrieve" button to its right:

- 1. Retrieve viewer applications installed in your PC.
- 2. Retrieve file types with specific file extensions registered in your PC.
- 3. Investigate data format that your printer can analyze.

Below these instructions, there is a section titled "Specify printer." followed by a list box containing three entries: "Printer 1", "Printer 2", and "Printer 3". "Printer 1" is currently selected and highlighted. To the right of the list box is a small button with an upward-pointing triangle (Δ). At the bottom of the window, there are three buttons: "OK", "SAVE", and "CANCEL".
